RIGHT BIAS

These media sources are moderately to strongly biased toward conservative causes through story selection and/or political affiliation. They may utilize strong loaded words (wording that attempts to influence an audience by using appeal to emotion or stereotypes), publish misleading reports, and omit information reporting that may damage conservative causes. Some sources in this category may be untrustworthy. See all Right Bias sources.

Update: On 9/10/2025, Charlie Kirk was shot and killed at an event in Utah. At the time of this writing, the suspect is still at large.

- **Overall, we rate Charlie Kirk Far-Right Biased based on editorial positions that strongly favor the Right. We also rate him Very Low for factual reporting due to his rejecting the consensus of science on most issues, numerous failed fact checks, and the blatant promotion of propaganda and conspiracy theories.**

Bias Analysis

- **Political Views:** Strongly supports former President Donald Trump, as evidenced by Charlie Kirk becoming the Chairman of Students for Trump. Frequently reports negatively on Democrats and promotes conspiracy theories regarding cultural marxism. Charlie Kirk's promotion of Donald Trump is sycophantic. Continues to promote election fraud conspiracies.
- **Scientific Views:** Kirk has disseminated misinformation regarding COVID-19, including skepticism about vaccines and downplaying the severity of the virus. He has also expressed views denying human influence on climate change, attributing climate patterns to natural phenomena.
- **Social Views**: Kirk holds conservative positions on social issues, including opposition to immigration policies he perceives as lenient, denial of systemic concepts like white privilege, criticism of critical race theory, and past derogatory remarks about LGBTQ+ communities. The Southern Poverty Law Center

(SPLC) has reported that Turning Point USA has received support from white nationalists and neo-Nazis, though Kirk has publicly attempted to distance himself and the organization from such groups.

Failed Fact Checks (Shortlist of Dozens)

- "Nancy Pelosi may have just committed a violation of 18 U.S.C. § 2071, Section 2071 (a) when she ripped up President Trump's State of the Union address. This violation is punishable by up to three years in prison." – **Pants on Fire**
- Says Anthony Fauci will make millions off new book. – **False**
- There is no factual data to back up global warming; real scientists don't know whether CO_2, solar sunspots or natural activity cause global warming – **Inaccurate**
- "Vaccine crew in Indian village attacked by locals" – **Inaccurate**
- H.R. 1 "would allow the Boston bomber to have a right to vote." – **False**
